

# ZION OUTSCHOOL

## Attendance & Tuition Policy

Academic Year 2026–27

---

***ZION outSchool operates like a reserved space in a program, not like a pay-per-day service. When your child enrolls, their spot is held for them all year.***

### Tuition

- Tuition: \$600/month — paid in advance. **Absences are not deducted from tuition.**
- Unit Fee: \$135 per unit × 4 units per year
- Annual Curriculum Fee: \$200 — charged once per year, all students
- Late Payment: A 10% late fee applies after a 5-day grace period
- Withdrawal: 30-day written notice required. Tuition is non-refundable for the current month.

### Absence Policy

- Consistent attendance is essential for success at ZION outSchool.
- Parents must notify the facilitator in advance of absences when possible.
- Students are responsible for making up missed reading, assignments, and projects.
- Absences are not deducted from tuition.

### Early Withdrawl Policy

Because Zion outSchool operates through highly individualized instruction, collaborative learning cohorts, and long-term project-based educational design, enrollment represents a

year-long commitment between the school and family. Significant staffing, curriculum development, scheduling, and classroom planning decisions are made in reliance upon each student's enrollment for the full academic year.

For this reason:

- The annual \$200 curriculum and materials fee is non-refundable once enrollment is finalized.
- Tuition paid for the current month is non-refundable upon withdrawal.
- A \$300 withdrawal fee per enrolled student will be assessed at the time of withdrawal to help offset administrative, staffing, and classroom restructuring costs associated with mid-year withdrawal.

We understand that unexpected circumstances can arise. Families experiencing significant hardship are encouraged to communicate with the administration, and exceptional situations may be reviewed at the school's discretion.

*The school reserves the right to modify financial obligations in cases of significant hardship, relocation, medical circumstances, or other extraordinary situations at the discretion of administration and approvable of The Faculty Council and The Board of Directors.*
