

ZION OUTSCHOOL

Student Code of Cooperation and Behavior

Academic Year 2026–27

At Zion outSchool, we work together as a community of seekers — learners who pursue truth with courage, care for one another with respect, and send what we discover outward into the world. Each of us has a role to play in making this a place where genuine learning happens every day.

I promise to:

1. Show Respect

- Speak kindly to everyone — students, teachers, and visitors
- Listen when someone else is talking, even when I disagree
- Take care of other people's feelings, space, and belongings and bodies.
- Keep your hands to yourself and respect personal boundaries.

2. Be Ready to Learn

- Arrive on time and with everything I need
- Set a daily learning goal and work toward it with focus
- Try my best, even when something feels hard or uncertain
- Wear my school uniform neatly and come prepared for the work of learning
- Keep my hair, clothing, and appearance from distracting myself or others during learning
- Show respect for myself, my classmates, and our learning environment through cleanliness, modesty, and good grooming

3. Take Ownership

- Be responsible for my own work and my own behavior
- Read my Outstanding Works of Literature and complete assignments on time
- Ask questions and look for answers — I do not wait for someone to hand truth to me

4. Seek With Honesty

- Pursue my inquiry question with genuine curiosity, not just to get done
- Record what I actually find, not what I think the teacher wants me to find
- Defend my claims with evidence and change my mind when the evidence requires it
- Begin and end each day knowing that truth has a source greater than any search engine

5. Work Together

- Help others when I can
- Be a genuine contributor in group projects and consultations
- Celebrate other people's discoveries and ideas

6. Live Our Values

- Show faith in God by using my talents and discoveries to serve others
- Protect the spirit of our classroom — keep my words and actions uplifting
- Remember I represent myself, my family, and Zion outSchool

I understand that being part of Zion outSchool means:

- I will follow this Code of Cooperation every day
- I will make choices that help me learn and help others learn
- I will do my part to make Zion outSchool a place where everyone can grow and discover
